## Cookie Policy

### INFORMATION ABOUT OUR USE OF COOKIES

Our website uses **cookies** to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site. By continuing to browse the site, you are agreeing to our use of cookies.

#### What are cookies?

A **cookie** is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. **Cookies** contain information that is transferred to your computer's hard drive.

#### What types of cookies do we use and how do we use them?

We use the following **cookies**:

- **Strictly necessary cookies:** These are **cookies** that are required for the operation of our website. They include, for example, **cookies** that enable you to log into secure areas of our website.
- **Analytical/performance cookies:** They allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works.
- **Functionality cookies:** These are used to recognise you when you return to our website. This enables us to personalise our content for you and remember your preferences (for example, your choice of language or region).
- **Targeting cookies:** These **cookies** record your visit to our website, the pages you have visited and the links you have followed. We will use this information to make our website and the content displayed on it more relevant to your interests. We may also share this information with third parties to allow relevant advertising on their websites.

#### Can I control these cookies?

You have full control to block or delete **cookies** by activating your browser settings, which will allow you to refuse the setting of all or some **cookies**. Please note that if you use your browser settings to block all **cookies** (including essential **cookies**) you may not be able to access all or parts of our site.

Please note that third parties (including, for example, advertising networks and providers of external services like web traffic analysis services) may also use **cookies**, over which we have no control.

END
